

11TH ANNUAL NDPOA CONFERENCE

The North Dakota Peace Officers Association is proud to announce the upcoming 2022 Annual Conference August 16-19, 2022, in Bismarck. The conference will bring together a wide variety of professionals working in the fields of law enforcement, corrections and criminal prosecutions.

A primary commitment of the NDPOA is to provide visionary training and educational opportunities to individuals working in the criminal justice field. The results of this commitment will be realized through the improvement in the professional capabilities of our members and enhanced delivery of effective and efficient services to the citizens of North Dakota.

To make the conference a success the planning group is looking for financial assistance from individual and corporate sponsors. We are offering different levels of sponsorship providing you or your corporation an opportunity to be recognized as a donor and to participate in conference activities.

We anticipate the 2022 NDPOA Conference to be well attended due to the opportunities the Bismarck area has to offer and the high caliber of training that will be the focus of the conference. We respectfully ask for your help to make the conference a success. To provide a more streamlined service, sponsorship and vendor registration will be online. Please find the link on the following pages or at www.ndpoa.org. For inquiries, please contact Tom Iverson at 701-328-5141 or tiverson@nd.gov.

Thank you for making our conference a success!

Sincerely,

Tom Iverson, Major
2022 Host Committee Chair
